## **Corrigendum**

**Article:** Insights Into Green Synthesized and Chemical Synthesized Nanoparticles for Biomedical Applications

**Authors:** Mahreen Fatima, Maham Fatima

**Journal:** Journal of Zoology and Systematics, 1(1), 29–36 (2023)

**DOI:** <https://doi.org/10.56946/jzs.v1i1.193>

The authors regret that some references [Reference 1 and referecne 7] in the original article were not directly related to the topic discussed. These references have now been corrected and updated in the reference list. Additionally, a section has been added to better align the article with the scope of the journal, which was previously overlooked during the editorial process.

These corrections do not affect the results, discussion, or conclusions of the article. The authors apologize for any inconvenience caused to the readers.
